

Welcome to the Great Outdoors!

Only a few miles from the geographic centre of the Scottish mainland, the Cairngorm Hotel is within easy reach of Loch Ness, Wester Ross, Royal Deeside, Culloden Battlefield and hundreds of famous Highland landmarks, castles, beaches and visitor attractions as well as Edinburgh, Scotland's capital.

Here, in the best that the Cairngorm National Park can offer, opportunities for outdoor activities and pursuits are legendary. The mountains of the Cairngorms are a mecca to walkers and climbers while seven local golf courses and hundreds of square miles of rivers, lochs, moors and forests offer so much more - from fishing, sailing and sailboarding to pony trekking, bird-watching and photography on Rothiemurchus and Alvie Estates. With snow-boarding and skiing on Cairngorm Mountain and two other ski centres within 90 minutes drive, cross-country ski trails, dog-sledding and more, Aviemore is justifiably regarded as Britain's favourite all-year resort.

Throughout the year, Aviemore plays host to an exceptional variety of major outdoor events.
